

## What is Hampton Roads Gospel

Hamptonroadsgospel.com is designed to assist the Body of Christ in promoting their Christian events. Many ministries are on a very tight budget and can not afford to purchase a website. So I developed this site to use for free.

It is very simple. Register and you'll receive a confirmation email. Click on the link sent to your email used to register and log in. Once you log in you see a list of buttons that you can use to submit your event. Each area is broken into two areas North Carolina and Virginia.

So when you submit and Men's Ministry even all you have to do is select either North Carolina or Virginia category. Then click the save icon and I'll review your event and post it. I review all events to ensure nothing vulgar is added to the site. If you need an image added to your event just email it to [webmaster@hamptonroadsgospel.com](mailto:webmaster@hamptonroadsgospel.com).

Use this site provide detail of you event that might not get included in radio, TV, or printed ads. These details include: Dates, Times, Location, Directions, Contact Info, Cost, Speakers and anything else you feel the public needs to know about your event.

How to get the public here to view your event. That's easy. Just put [www.hamptonroadsgospel.com](http://www.hamptonroadsgospel.com) on your flyer, emails, newsletters, mention in your radio and TV ads.

### Radio Ad Example:
